Oh baby please
Baby please set a date
Baby please
Baby please set a date
Don't you wait until tomorrow
'Cause tomorrow may be too late

When I get you in my arms
You know my heart gets full of prawn
When I get you in my arms
You know my heart gets full of prawn
When you whisper, "daddy, daddy"
You know my love comes tumblin' down

Oh, yeah!

Well, I love you so much baby
I love you better than I do myself
Well, I love you so much baby
I love you better than I do myself
Well, if I can't have you baby
I don't want nobody else

Oh baby please
Baby please set a date
Baby please
Baby please set a date
Don't you wait until tomorrow
'Cause tomorrow may be too late
