Written by Christine McVie.

Don't you come too close to me
You're dangerous, can't you see
You can make the darkness mean more
Then it ever did
Ever did before

It's a devil's disguise
Angel in black
And I recognize the face behind the mask
It's a devil's disguise
Angel in black
I don't know if I want you back

You're the cool nights of the desert
And the hot kisses of the sun
Why is it that I don't believe you
When you say I'm the only one
I know I'm the lonely one

It's a devil's disguise
Angel in black
And I recognize the shadows from your past
It's a devil's disguise
Angel in black
Don't you know it'll never last
The face behind the mask

There will never be a second chance for you
Oh No
Not for you

It's a devil's disguise
Angel in black
And I recognize the face behind the mask
It's a devil's disguise
Angel in black
Don't you know it'll never last
The face behind the mask
It's a devil's disguise
Angel in black
And I recognize the shadows from your past

It's a devil's disguise
Angel in black
I don't know if I want you back
I don't know if I want you back
Don't you know it'll never last
The face behind the mask
