Now here you go again
You say you want your freedom
Well, who am I to keep you down?
It's only right that you should
Play the way you feel it
But listen carefully to the sound
Of your loneliness
Like a heartbeat, drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
And what you lost

Oh, thunder only happens when it's raining
Players only love you when they're playing
They say women, they will come and they will go
When the rain washes you clean, you'll know
You'll know

Now here I go again
I see the crystal vision
I keep my visions to myself
It's only me who wants to
Wrap around your dreams and
Have you any dreams you'd like to sell?
Dreams of loneliness
Like a heartbeat, drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
Ooh, what you lost

Thunder only happens when it's raining
Players only love you when they're playing
Women, they will come and they will go
When the rain washes you clean you'll know

Oh, thunder only happens when it's raining
Players only love you when they're playing
They say women, they will come and they will go
When the rain washes you clean you'll know

You'll know
You will know
Oh, you'll know
