If you wake up and don't want to smile
If it takes just a little while
Open your eyes and look at the day
You'll see things in a different way

Don't stop, thinking about tomorrow
Don't stop, it'll soon be here
It'll be, better than before
Yesterday's gone, yesterday's gone

Why not think about times to come
And not about the things that you've done
If your life was bad to you
Just think what tomorrow will do

Don't stop, thinking about tomorrow
Don't stop, it'll soon be here
It'll be, better than before
Yesterday's gone, yesterday's gone

All I want is to see you smile
If it takes just a little while
I know you don't believe that it's true
I never meant any harm to you

Don't stop, thinking about tomorrow
Don't stop, it'll soon be here
It'll be, better than before
Yesterday's gone, yesterday's gone

Don't you look back, don't you look back
