We see no change in sight
Watching her decline
She gets on a midnight plane
She's done it a thousand times

And thats starts out in the darkness
It doesn't do well in the light
Affairs of the heart start out in the dark
Usually stay with the night

(Ooh ooo ooh oh)
(Ooh ooo oh)
I know you don't agree
(Ooh ooo oh)
(Ooh ooo oh)
(Everyday you tell me)
(Ooh ooo ooh oh)
(Ooh ooo oh)
I know you don't agree
(Ooh ooo oh)
(Ooh ooo oh)
I know he loves me
Everyday he calls me
He says he adores me
What can I say?
You can't love him
You can't have him
I do have him
Most of the time
Anywhere we can
Anytime we can
Get away
Get away

Maybe it's just something else
That you can't tell me
Maybe it's in the way that you
Look away from me

It's not like any words
Need to be said
Well you always know when something is wrong

My friend

(Ooh ooo ooh oh)
(Ooh ooo oh)
I know you don't agree
(Ooh ooo oh)
(Ooh ooo oh)
(Everyday you tell me)
(Ooh ooo ooh oh)
(Ooh ooo oh)
I know you don't agree
(Ooh ooo oh)
(Ooh ooo oh)
I know he loves me
Everyday he calls me
He says he adores me
What can I say?
You can't love him
You can't have him
I do have him
Most of the time
Anywhere we can
Anytime we can
Get away
Get away

I know he loves me
And I know he loves me
You can't love him
You can't have him
I do have him
Most of the time
Anywhere we can, baby
Anytime we can
Get away

We see no change in sight
Watching her decline
She gets on a midnight plane
She's done it a thousand times

When love starts out in the darkness
It doesn't do well in the light
Affairs of the heart start out in the dark
Usually stay with the night

When nobody sees them
At least, not together
She rarely goes out
She spends every day
Waitin' for the day

When everybody finds out
Don't you know?
Don't you know?

You can't love him
You can't have him
I do have him
Most of the time
Anywhere we can, baby
Anytime we can
Get away
