I don't wanna know the reasons why
Love keeps right on walking down that line
I don't wanna stand between you and love
Honey, I just want you to feel fine

I don't wanna know the reasons why
Love keeps right on walking down that line
I don't wanna stand between you and love
Honey, I just want you to feel fine

Finally baby
The truth has come down now
Take a listen to your spirit
It's crying out loud

Try to believe
Oh you say you love me but you don't know
You got me rocking and a-reeling
Oh, oh, yeah, ah, ah, ah

I don't wanna know the reasons why
Love keeps right on walking down that line
I don't wanna stand between you and love
Honey, I just want you to feel fine

I don't wanna know the reasons why
Love keeps right on walking down that line
I don't wanna stand between you and love
Honey, I just want you to feel fine

Finally baby
The truth has been told
Now you tell me that I'm crazy
It's nothing that I didn't know

Trying to survive
I know you say you love me but you don't know
You got me rocking and a-reeling
Hey you know what to do oh, oh, yeah, oh oh

I don't wanna know the reasons why
Love keeps right on walking down that line

I don't wanna stand between you and love
Honey, take a little time

Ah, I don't wanna know
