My baby's gone and left me, crying by myself  
My baby's gone and left me, crying by myself  
I loved another woman, I lost my best gal

She was a real good woman, she didn't mean me no  
harm  
She was a real good woman, wouldn't do me no harm  
But I loved another woman, now she's up and she's  
gone

Well, come back baby, I know I treated you wrong  
Well, come back baby, I know I treated you wrong  
I loved another woman, now I won't do that no more

Ooo  
Ooo  
Ooo
