Do you know what this is
No i don't
But whatever it is
It's very powerful
Have you felt this way before
Oh, I thought I knew
Do you know that I love you now
Oh yes I do

Love is
You've got the softest lips
You know that i cannot stay
Yes, I know
It has nothing to do with you
Or with love
Oh yes it does

Do not call or come around here
Do not tell
You know that I loved you then.. oh well

Love is
You've got the softest lips
Love is
The touch of your fingertips
Love is
Knowing you won't let go

She awakens things
That he said he thought were dead
He says are you happy now
Oh, yes I am
But when it's over
How then will you feel
Will you miss those arms
That used to go around you.

So she stood in the hallway frozen
In the dark
And her heart broke down
She cried
She fell to the floor

One tear... slid across her lip
To the corner of her mouth
Love is
And dropped... to the floor

Love is
You've got the softest lips
Love is
The touch of your fingertips
Ooh she says, love is
Knowing you won't let go
Love is
Watching you go
You're so very powerful
Love is
Am I happy
Yes I am

Do I know you love me now
Yes I do
Do I know you cannot stay
I know
All about love
All about love
Love is
You're so very powerful
