You've got a sweet heart  
Never will you be replaced  
And it's so hard  
The memory can't be erased

Love shines when I think of you  
You make it happen  
You make it true  
(love shines)  
Love shines there can be no doubt  
What this feeling is all about

Oh baby your  
Love shines, love shines so bright  
(so bright)  
Did you know your  
Love shines, love shines so bright  
(on and on and on)  
On and on it will always be  
Rhythm, rhyme, and harmony  
Yeah, baby your  
Love shines, love shines tonight  
(tonight)

You cast a spell  
A magical revelation  
And I see so well  
My ultimate destination

Love shines when I think of you  
You make it happen  
You make it true  
(love shines)  
Love shines there can be no doubt

What this feeling is all about

Oh baby your  
Love shines, love shines so bright  
(so bright)  
Did you know your  
Love shines, love shines so bright

(on and on and on)  
On and on it will always be  
Rhythm, rhyme, and harmony  
Yes, baby your  
Love shines, love shines tonight  
(tonight)

After all the reckoning  
After all the promises  
All the darkness in my heart  
Has gone away  
Gone away

(on and on and on)  
So on and on it will always be  
Rhythm, rhyme, and harmony  
Yes, baby your  
Love shines, love shines tonight  
Oh don't you know your  
Love shines, love shines so bright  
Oh baby your  
Love shines, love shines so bright
