Why do you come around  
So very much  
You know it just brings you down  
It's just something you can touch

You don't belong here  
I guess you never did  
Whisper, look up, in your ear  
You just keep it so well hid

Anyone at all  
Could see what was missin'  
Could see you were dyin'  
But no one was cryin'

And I did hear what you said  
Now I can go home  
All my days are blue  
All my days are bright

Red Rover, Red Rover, Red Rover  
We come, we come, we come, we come  
To take you over (ah)  
Take you over (ah)  
Red rover (ah)  
Take you over (ah)

One of the quiet ones  
One of the few

Now fall down onto your knees  
Show us all what you can do

We came around here  
To see if you were well  
And there's nothing for you to fear  
In Heaven or in Hell

Anyone at all  
Could see what was missin'  
Could see you were dyin'  
But no one was cryin'

And I did hear what you said  
Now time to drive home  
All my days are blue  
All days bright

Red Rover, Red Rover, Red Rover  
We come, we come, we come, we come  
To take you over (ah)  
Take you over (ah)  
Red rover (ah)  
Take you over (ah)  
Red rover (ah)  
Take you over (ah)  
Red rover (ah)  
Take you over (ah)
