Oh baby, don't you want a man like me?
I said baby, don't you want a man like me?
I could give you so much lovin'
More than a woman ever seen

Now come on baby, now we can make some love
tonight
I said baby, make some love tonight
Well be rollin' out the blankets
I'm gonna make you feel alright

Your rollin' man, I've got all the love you need
Rollin' man baby, I've got all the love you need
I've got so much lovin'
More than you ever gonna see

I said baby, now we can make some love tonight
Come on baby, make some love tonight
Well be rollin' out the blankets
I'm gonna make you feel alright

I'm your rollin' man, got all the love you need
Your rollin' man, got all the love you need
Got so much lovin' baby
More than a woman ever seen
