Written by christine mcvie.

Once in everyone's life  
You know a feeling has to grow  
And you may be having a bad time  
And you really shouldn't let it show  
You're taking a risk, but it doesn't matter  
'cos you know, you know that it's real  
I can't conceal the way that I feel  
I can't conceal the way, the way that I feel

How many times have I told you  
Oh, I adore you  
And if it meant anything at all  
I'd do anything for you  
But it's too late and I know I'm making  
A fool, a fool of myself  
But I can't conceal the way that I feel  
I can't conceal the way, the way that I feel
