Don't look for no worries
Worries and troubles come around
Yes, I don't look for no worries, people
Worries and troubles come around
The world keep on turning
I got to keep my feet on the ground

But bobody saw me cryin'
Nobody knows the way I feel
Nobody saw me cryin'
Nobody knows the way I feel
Yeah, the way I love the woman
It's bound to get me killed

I loved the little girl so good
She made my low down butter come
Loved the little girl so good
She made my low down butter come
I need the woman so bad
I need her like the sky needs the sun
