What makes you think you're the one  
Who can laugh without cryin'?  
What makes you think you're the one  
Who can live without dyin'?  
Every little bit  
Is there  
To see  
Every little bit  
Of you  
And me

What makes you think I'm the one  
Who'll be there when you're callin'?  
What makes you think I'm the one  
Who will catch you when you're fallin'?  
Every little bit

Is there  
To see  
Every little bit  
Of you  
And me

What makes you think I'm the one  
Who will love you forever?  
Everything you do has been done  
And this won't last forever  
Every little bit  
Is there  
To see  
Every little bit  
Of you  
And me
