When I see, see my baby
When I see, see my girl
The way I feel, feel so good
When I see, see my girl

When she leaves, when she leaves me
When she leaves, when she leaves me
The way I feel, feel so low
When she leaves
[When I See My Baby Lyrics On]
When I see, see my baby
When I see, see my girl
The way I feel, feel so good
When I see, see my girl

break:

When I see, see my baby
When I see, see my girl
The way I feel, feel so good
When I see, see my girl
See my girl
See my girl
