Hmm, Hmm

When the sun goes down  
And the moon shines bright  
Honey, if you call my name  
I will take away your pain  
I will take good care of you tonight

Somebody broke your heart  
Tore your world apart  
But that's all over  
It's a brave new day

Somebody made you cry  
Took away your pride  
But that's all over  
Let's be on our way

When the sun goes down  
And the moon shines bright  
In my arms it's safe and warm  
I give you shelter from the storm  
I will take good care of you tonight

Somebody made you sad  
Treated you so bad  
But that's all over  
I won't let you down

Well, he was just a fool  
Wonder why so cruel?  
But you'll forget him  
When I come around

When the sun goes down  
(Take good care)  
And the moon rises high  
(Aah aah)  
Honey, open up your door  
And you won't have to hurt no more  
I will take good care of you tonight

Well, step out of the shadows  
Let the night begin  
(Woo)  
An' when you hear me knockin' let me in

When the sun goes down  
And the moon shines bright  
(You can call my name)  
Honey, if you call my name  
I will take away your pain  
I will take good care of you tonight

When the sun goes down  
(Take good care)  
And the moon rises high  
(Aah)  
In my arms it's safe and warm  
I give you shelter from the storm  
I will take good care of you tonight

Hurry, open up your door  
And you won't have to hurt no more  
I will take good care of you tonight
