There's no use in crying, it's all over  
But I know there'll always be another day  
Well my heart will rise up with the morning sun  
And the hurt I feel will simply melt away

You make me feel, I just can't carry on  
But I know I won't always be that way

'cos my heart will rise up with the morning sun  
And the hurt I feel will simply melt away

You don't have to give up  
Why is it all wrong  
Why don't you love me  
Why won't you just be strong
