"World Keeps On Turning"

I don't look for no worries, worries and troubles come around

I don't look for no worries, worries and troubles come around

World keep on turning, I got to keep my feet on the ground

Nobody saw me cryin', nobody knows the way I feel

Nobody saw me cryin', nobody knows the way I feel

The way I love the woman, that bound to get me killed

Loved the little girl so good, she made my low down butter come

I loved the little girl so good, she made my low down butter come

I need the woman so bad, I need her like the sky need the sun
