I wake up
with my eyes shut tight
Hoping tomorrow will never come
for you, you, you, you, you and I

Oh the phantoms
crawl out of the night
Hoping the daylight
will never come
for you, you, you, you, you and I

Keep your heart open
and your eyes shut tight
What will be, will be
Keep your heart open
and your eyes shut tight
But don't forget about me

Oh the phantoms
crawl out of the night
Hoping tomorrow
will never come
for you, you, you, you, you and I

Keep your heart open
and your eyes shut tight
What will be, will be
Keep your heart open
and your eyes shut tight
But don't forget about me

I wake up
with my eyes shut tight
Hoping tomorrow will never come
for you, you, you, you, you and I
Hoping tomorrow will never come
for you, you, you, you, you and I
for you, you, you, you, you and I
for you, you, you, you, you and I
for you, you, you, you, you and I
