Once in a while  
Won't you try to give  
One little thought to me  
Though someone else may be  
Nearer your heart  
One in a while  
Won't you dream of those moments  
I shared with you  
Moments before we two  
Drifted apart  
In Love's smoldering embers  
One spark may remain  
If Love still can remember  
That spark may burn again  
I know that I'll be contented  
With yesterday's memories  
Knowing you think of me  
Once in a while
