Hey honey got seduced by you  
That baby put her claws into my heart  
My baby a chill runs down my spine  
Hey sugar by your infamous smile  
My baby jolly favourite waste of time

I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way  
I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way

Hey baby my one and only love  
Yeah baby too much ain't enough  
Hey honey I guess I shouldn't play so rough  
My baby was such a doll  
Yeah sugar and i was outta control  
My baby plastic porno blow-up soul

I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way  
I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way

Hey baby well the party is on  
Hey honey be-bop-a-lula fun  
Yeah baby rubber romance all night long

I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way yeah yeah  
I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way

I never ever wanted you to stay  
I never wanted you to go away  
Never ever wanted you this way this way this way
