One evening as the moon came out and we had a joint
a burning
Down the alley came a punk rocker, and he said
"dudes I'm not turning
"I'm headed for a town that's far away, does my face
look like Im clownin
"So come with me, we'll go and see the Punk Rock
Candy Mountains"

In the Punk Rock Candy Mountains there's a show that
lasts all night
And they never charge a cover and youll never see a
fight
The taxis drive ya around for free and no one gets in
your way
No bloods or GÃfÃçâ, -Ã™ s and no hippies
And no one clings to their one night flings
In the Punk Rock Candy Mountains

In the Punk Rock Candy Mountains you can never break
your legs
And for the price of a forty ounce you can buy yourself
a keg
Cause stores are made for you to loot and ya never
gotta pay
Oh I'm bound to go where there ain't no snow
Just the kind that you put up your nose
In the Punk Rock Candy Mountains

In the Punk Rock Candy Mountains youÃfÃçâ, -Ã™ ll
never see a clock
And the little streams of PBR come a-trickling down the
rocks
The shows are never-ending and the bands are all
unsigned
ThereÃfÃçâ, -Ã™ s a joint for you, go head take two
Cause you can always do what you wanna do
In the Punk Rock Candy Mountains

In the Punk Rock Candy Mountains the jails are made of
tin
And you can walk right out of them as soon as you are

in
There ain't no fuckin' assholes, no douche-
bags, cops or dicks
I'm a-goin' to stay where you drink all day
Where they hung the jerk that invented work
In the Punk Rock Candy Mountains

In the Punk Rock Candy Mountains you'll
never go to court
There are no processing fees and no unpaid child
support
The skate-parks are full of life and ya never wait in line
No falsification they call taxation
There's no violation of fuckin' probation
In the Punk Rock Candy Mountains

I'll see you all this comin' fall in the Punk Rock Candy
Mountains
