I heard Jesus smoked weed
I heard Jesus smoked weed
Was the holy man from Galilee
Well i heard jesus smoked weed

No place to call home not a thing to eat
JC and his apostles loved to chief
They roamed around the land and tried to teach
Preached about the gospel and THC

Now all the little kids is smoking weed
They all be swinging stoned and free
Why is all the children toking trees?
'Cause they all heard that Jesus smoked weed!

Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
Don'tcha wanna be like Jesus?
