Trance dance do the circumstance trance dance  
Trance dance do the circumstance trance dance

You can do it really do it  
You can do it really do it

He goes to work every day complaining  
About his boss who shouts his brain in  
Circumstances  
His pretty girl doesn't show affection  
He's trying to avoid to get some bad connection  
Operator

Circumstance dance oh oh  
Circumstance dance oh oh

Ranks and raves for seven days  
Circumstance dance oh oh  
Circumstance dance oh oh

You can do it really do it  
You can do it really do it

Trance dance do the circumstance trance dance  
Trance dance do the circumstance trance dance

The walls are cracked and the roof is leaking  
The cats asleep and the mice are squeaking  
Circumstances

He's out to lunch when the hour weren't heaven  
He blames it all on the nasty weather  
Missing chances

Circumstance dance oh oh  
Circumstance dance oh oh

You can do it really do it  
You can do it really do it

Trance dance do the circumstance trance dance

Trance dance do the circumstance trance dance
