One man down two to go now
Had nothing to worry about thought I was in control

What can I say? What can I do?
Shit I ain't like you
What do you want me to do?

I hear songs on the radio
Sweet, sweet love songs and they're telling me how it's
done
But I don't understand that shit what those love songs
are all about

What can I say? What can I do?
Shit I ain't like you
What do you want me to do?

Trying to do as it is written
Trying to say all the right words but it all comes out
wrong

So hard to find a way to talk with you
But what the fuck another guy without a clue

What can I say? What can I do?
Shit I ain't like you
What do you want me to do?
What can I say?
Shit I ain't like you
What do you want me to do?
