

Fleming And Jogn "Bad Reputation"

Blue eyeshadow girls smoking in the bathroom
They're gonna meet out on the dirt road at a quarter till
two
Whisper whispers echo through the stalls
Hey isn't that her isn't she the one

I don't want to be a hero I don't want to be a wierdo
Don't want to be Ms. Understood

I just try to be good why does everybody want a bad
reputation?
You're so bad you'll be a big sensation

Cool dude thinks that he's a lady killer
High school girls fighting over him at the end of the
road
They don't care if he's ten years older and a loser
Already been married three times before

I don't want to be a hero I don't want to be a wierdo
Don't want to be Ms. Understood

I just try to be good why does everybody want a bad
reputation?
You're so bad you'll be a big sensation
