I'm afraid of growing old
I'm afraid of staying young and running out of fun
I'm afraid of photographs of Mom and Dad when they
were young
I'm afraid of spending my life waiting for a day that
may never come
I'm afraid of earthquakes, hurricanes, and other acts
of God
I'm afraid of having kids; I'm afraid there'll be no world
for them to live (in)
I'm afraid of pleasing all the people all the time
I'm afraid of jealousy, cupidity, and all words that end
in "e"
I'm afraid of madmen with bombs who think they're
God

But I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

I'm afraid of driving over 65
I'm afraid of flying in the sky
I'm afraid of getting out of bed and nowhere to put my
head
I'm afraid of multiple choice when "a" and "b" and "c"
and "d" are true
I'm afraid of not being afraid

But I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

You're a constant in life's
Stream of variables as sure as the
Sun and the moon
You're a certain in this world of changables
You and you and that's the only thing I know that's true

But I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

I'm not afraid
I'm not afraid
I'm not afraid of you
I'm not afraid
I'm not afraid...

I'm afraid of growing old
I'm afraid of staying young and running out of fun
I'm afraid of photographs of Mom and Dad when they
were young
