

Fleming And Jogn "Rain All Day"

Visit "[Rain All Day](#)" on MotoLyrics.com

We've got nothing but tomorrow
To keep us from today
And we walk around in circles
Like everything's okay
It's just a phase you're in a daze
Maybe a melancholy day
Don't try to fight
What's wrong is right
It's just a melancholy day

(chorus)

Rain all day and i'll stay all day with you

The look upon your face
Tells me all i need to know
And words will not convey
What somebody can show
There is no place on the face of the earth i'd rather be
Nowhere in time no boat on the rhine
No place that i would rather be

Rain all day and i'll stay all day with you...

It's just a phase you're in a daze
Maybe a melancholy day
Don't try to fight
What's wrong is right
It's just a melancholy day

Rain all day and i'll stay all day with you...
