TV-AM no cigarettes
Crawl out the front door, what'd I forget?
It was Monday morning 10 o'clock
When she bought you down at the shop
Out on my rounds, let's go for a walk
I don't really mind if you spit when you talk
Tumble dryer, tumble dry
Guaranteed to get you high

Oh, hop on in!

Oh, this is a story of a girl I know

Will I ever let her go?
Pussy cat, pussy cat where you been?
Round and around in a washing machine
I said washing machine, washing machine
For a hundred spins and I'm almost clean
Tumble dryer, tumble dry
Guaranteed to get you high
It's only the law
I said "Have a nice day"
Don't go washin' your brains away
Pussy cat, pussy cat where you been?
Round and around in a washing machine

Oh yeah, you gotta go
Yeah, you gotta go
Uptown, 'round 'round
Pussy cat, pussy cat
We gotta go
Ah, everybody knows
Yeah
Aw, 'round and 'round

Laundromat cat gotta push off
Somebody ought to call the cop
Pussy cat, pussy cat where you been?
Round and around in a washing machine
I said washing machine, washing machine
Four hundred spins I'm almost clean
It's a tumble dryer for a laundromat cat

I hear him knockin', who's that?
Only the law
I said "Have a nice day"
Don't go washin' your brains away
Pussy cat, pussy cat where you been?
Round and around in a washing machine!
