[Reverend Run]

Now I said, now here this  
Thus sayesth the Lord God  
And I believe, a lot of us  
Shouldn't even condemn these rappers  
Because if nobody would ah told me about God  
People would ah been  
The church folks would ah been  
Talkin bad about me  
I believe we gon' have people like  
Rev. Snoop Doggy Dogg up here soon  
We gon' have Rev. 2Pac  
These brothaz need your encouragement  
They do not need you to pull them down  
I don't believe in bashin these people  
That are out there on the street  
I believe in encouraging them  
I believe in bringin'em in  
Because if nobody would ah helped me  
I'd been messed up  
Do unto others as you would want done to you  
If you see ya brothaz and sista out there  
On the street  
And you know they back slittin  
Don't just go tell sista so-and-so  
You heard what happened on that child

Go and get her  
Bring her in, and this is the reason you seen her  
'cause God wants you to go and get her  
God wants you to love your brothaz and sistaz  
Dis is not a game of hurtin each other  
It's a game of helpin each other  
You got to help one another  
You got to love one another  
You got to respect on another  
We have such a crab mentality these days  
You see somebody comin to the top ah the brow  
You wanna pull'em down  
But I believe we should help on another  
I'm tellin ya right now, saints  
I've given you my heart today

I'm lettin you know all the secret things that happened  
to me  
It's not easy for to come out here and talk about  
The things that happened in the past  
But I want you to know somethin  
That God has completely turned my life around  
Let everyone stand  
Give the Lord a hand clap  
Praise the Lord
