Tell you what, let's fuck with this chorus first. let's put him down. f-l-e-s-h  
runnin'this whole muthafuckin?...

Flesh rippin?'em with them scriptures, finna get with you, but word to the  
Wise: my enterprise, mo thug mellenium, right. do you really wanna test my size?  
flesh rippin?'em with them scriptures, finna get with you, but word to the wise: my  
enterprise, mo thug millenium  
Ht. do you really wanna test, don't try.

Now, in the beginning was the word that we done heard again and again. and heard  
that the word was kept with god. indeed, it was god, except the word, friend. then  
everything that was made was m  
Y him. without him, would nothin'begin, existence. innermost life, and the life was  
life for me? so bright from a distance, shine, and figured that i'm that man of the  
lord, oh yes. the lord has  
En the word, and the word we me, flesh. now, every last word that's spoken from the  
god, it comes alive, and given to you and me to excercise, preach, teach and  
pofisize.

Analyze and open your mind and focus your eyes and pay attention. listen up close to  
what i be kickin? the words of wisdom in your eardrum. you want some, now come get  
some. learn 'em a valuable  
On, not to mention, you're gonna recieve the gift, and figure the worst. the test is  
plain and simple, get it and everyone got the blessing, cause they keep stressin?  
lettin'these demons mess an  
Tract him if you let them. suggest you pick up the bible, then it's a halo that'll  
protect you, holy ghost. hail from original, those hate

me the most gets smokin?

Flesh rippin?'em with them scriptures, finna get with  
you, but word to the  
Wise: my enterprise, mo thug mellenium, right. do you  
really wanna test my size?

When jesus wept, they think a lot about it, and sought  
to walk in his footsteps,  
from the beginning when he was placed on the face of  
the earth onto the cross. unto  
resurrection, you must follow  
Lord's direction if you wanna live here, dear. all the  
tears of christ gon'win us  
the fight, now feelin'the wrath of the lord, god here.  
whoever thin out, what a  
shame, said they got chains boun  
They soul. oh no, here come armageddon. fifth dog  
haul him to hell, he go.

Let it unfold, flesh, the apostle, so cold when i put it  
down rappin? you wanna diss  
this now, then i wanna put my fist in your mouth, what's  
happenin? must i break off  
that enemy, take 'em unco  
S. livin'amonst us, even in a world not takin'no  
nonsense. it's common sense to me  
to live each day as if it was yo'last, but yo'ass keeps  
sinnin'and never repent,  
take a look at your past. you'  
Vin'life in the fast lane, and seem to be sort of like  
insane. better maintain, my  
nigga, get down for your thang and make the change.  
think fast, better move quickly,  
cause it be hella destruct  
Omin? i said, hella destruction comin? you better hurry  
and do somethin?
