Dreaming of the dead  
Visions of my death  
Darkness is my friend  
Till the bloody end  
Sharing deepest pain  
Fear drives me insane  
Hate is my belief  
Ever since I lived

Carved in flesh, piece by piece  
You're gasping for air as I squeeze  
In my eyes, there's no life  
Feeding my ears with your cries

Carved in flesh  
I see the sign of death  
Carved in flesh  
Your torture I confess  
Carved in flesh  
Your body's aching for  
Carved in flesh  
I smell the blood of you(rs)

Terrorize and torture  
I'm the tormentor of flesh  
In my mind, no compromise  
Creating the art of your death

Carved in flesh  
I see the sign of death  
Carved in flesh  
Your torture I confess  
Carved in flesh  
Your body's aching for  
Carved in flesh  
I smell the blood of you(rs)

You're screaming and crying  
And soon You'll die  
You suffer, you bastard  
Your soul is mine

Dreaming of the dead  
Visions of my death  
Darkness is my friend  
Till the bloody end  
Sharing deepest pain  
Fear drives me insane  
Hate is my belief  
Ever since I lived

Carved in flesh, piece by piece  
You're gasping for air as I squeeze  
In my eyes, there's no life  
Feeding my ears with your cries

Carved in flesh  
I see the sign of death  
Carved in flesh  
Your torture I confess  
Carved in flesh  
Your body's aching for  
Carved in flesh  
I smell the blood of you(rs)

Carved in Flesh
