In the night, the demon's heart
The spawn of hell is born

Creatures of the dead alive
Awakened by his call
Demons out of hell arise
To feast upon my soul
My master, my demon

Feed the demon's heart
Let him take my soul
Let me feel the touch of evil
Flesh and blood so cold

Shadow of my soul
Forever stand by me
Guardian of my darkest hour
Decides my destiny

Forever drowned in pain
As my vital essence is gone
My soul drifts into beyond
Devoured by the demon's heart

In the night, the demon's heart
The creatures of evil arise
Fallen ones, the dead alive
Possessed by the demon's command

Souls of night, banned from the light
Searching retreat from the dawn
In the night, the demon's heart
Obsessed by the unholy spawn
