A Lot Of Cases  
Of Tormented Bodies  
When The Skull Was Crushed  
By Bloody Axe...  
Feeling As Master  
Of Annihilation  
While Cutting The Throat  
Of Inferior Nation...  
With A Last Blink Of Victim's Eye  
Cracked By The Illness Called Life  
Terrified By The Evil Shade  
Escorting You To Die...  
Coming Through The Act Of Consecration  
Intombed To The Ground  
Watching Holy Father's Ejaculation  
Of The Innocent Lamb's Bodies...  
My Life Is Death And Dying  
My Life Is Death And Dying  
Author Of Horrific Pain  
With The Outrageous Tendencies  
Bathing In The Bloody Rain  
Flesh And Intestines...  
My Life Is Death And Dying  
My Life Is Death And Dying  
Pure Will Be Damned  
And God Killed By My Hand  
Immortal Life And Hatred  
Humanity In The End...  
My Life Is Death And Dying  
My Life Is Death And Dying  
You Pain - Loyal To My Pleasure  
I Cannot Leave The Fucked Body...  
Body...
