I can see into your feeble mind  
The weakness the lies within  
Exploited subconsciousness

As we travel down into the darkness  
That lies within you  
You can see that I'm your only hope  
Only light and salvation

Plead for me....plead for me to let you go!

Sorrow deepens, hatred building  
Void of all that needs to be  
Terror mounting, start the bleeding  
As your mind adorns my wrath

You are now enslaved to my wrath  
Forever in my grasp  
Now you'll be enslaved to my wrath [2x]

*Come into my world of pain  
I am what you desire  
Thousands before you have  
Endured my infliction of suffering*

*My grasp holds you  
Forever choking  
Your overwhelming hunger  
For punishment drives you  
Time and time again!...Plead for me to let you go!*

*Sorrow deepens, hatred building  
Void of all that needs to be  
Terror mounting, start the bleeding  
As your mind adorns my wrath*

*You are now enslaved to my wrath  
Forever in my grasp  
Now you'll be enslaved to my wrath [2x]*

*IÂ am always with you  
Embedded in your soul*

*Your addiction to terror  
Your desire for torture*

*You are now enslaved to my wrath  
Forever in my grasp  
Now you'll be enslaved to my wrath*

*I am always with you  
Embedded in your soul  
Your addiction to terror  
Your desire for torture*

*You are now enslaved to my wrath  
Forever in my grasp  
Now you'll be enslaved!*
