A Few Words About Violence
Give You A Picture
Of The Present Days...
While Time Is Running
With No Mercy
There're Some Moments
That Show You
Which Way Escape
From The Cruel Reality...
It's Grindgod - It's A Grindgod
Life Is A Mistake
Same Like Our Intelligence
Unintentional Child
Crippling Mind
The Way To Hell
Is Paved With Good Intention
Unspeakable Mental
And Psychical Pain
Life Is A Mistake
Same Like Our Intelligence
Unintentional Child
Crippling Mind
The Way To Hell
Is Paved With Good Intention
Unspeakable Mental
And Psychical Pain
Oh My God - Oh My Grindgod
Oh My God - Oh My Grindgod
Anti-Reality Brings You
Another Dimensions Of The World
Abnormal Shapes Around You
With The Last View Of Yourself...
Yourself... Grindgod - Grindgod
