It's getting hard to see  
That I can't even do this right now  
This time I'm fine  
Cause I'm on fire  
Put me out with a bottle of your finest wine  
Champagne wont do quite this time, this time  
Right before you fill my glass could you  
Take one observing pass  
Over the lable, on the bottle  
And make this perfectly clear  
The wine in the bottle can only get better with age

I'm taking it down  
With the sweet form of ignorance  
Oh yeah  
don't let me drown  
Swimming under the influence  
Oh yeah

Stop  
Correction  
Give me your best shot of  
Love and lust on the rocks  
don't cut me off  
I'll take this last drink and I will  
Well I'll drive it off the road  
We'll crash and burn  
Lets crash and burn  
We'll find the answer at the bottom of the bottle

I'm taking it down  
With the sweet form of ignorance  
Oh yeah  
don't let me drown  
Swimming under the infulence  
Oh yeah

This funeral is getting out of control (x4)

I'm taking it down  
With the sweetest form of ignorance  
Oh yeah

don't let me drown  
Swimming under the influence  
Oh yeah
