Get away get away get away
Is this more than you can take
Turn around see your own reflection
What do you see?
What do you see?

Run away run away
Is this more than you can fake?
Turn around put your face to the crowd
And well we'll show you what we mean

When were sick and tired
Of being inspired
By the ones who die

I'm still alive
But I'm just trying to survive
Whoa oh oh oh oh
Still alive but I'm just trying to get by
This is what it's like
When you're alone

Go to sleep and we'll dream of something sweet
Open your eyes to reality
Wake up wake up lets go
Show me what you think you know

Here we are in the lions den
Find yourself and lose it in the end.
Oh no oh no! here we go again!

I'm still alive
But I'm just trying to survive
Whoa oh oh oh oh
Still alive but I'm just trying to get by
This is what it's like
When you're alone

Live on your knees or die on your feet
Just please
Do something.

Whoa oh whoa oh oh

I'm still alive

But I'm just trying to survive

Whoa oh oh oh oh

Still alive but I'm just trying to get by

This is what it's like

When you're alone

Still alive

Still alive

Still alive but I'm just trying to get by

Still alive

I'm still alive

I'm still alive but I'm just trying to get by
