as in the fairytales the eerietales  
the scarytales the oh so weary tales  
there is a place where the outdated sweethearts go as  
in becoming one  
with the vicious whirlwind  
as in couldn't have cared less as in courting the  
barbwire smile as in where will  
that grinnygrin be when you're waltzing about in  
stendrench  
as in how could you be so careless as in watching

the spleenscreen  
the snowscreen there's snow on my screen  
and it's the story of a lifetime as in there is a carnage  
where the dead darlings go as in i wouldn't i don't  
wanna'  
as in I'm not there as in another sphere  
as in not being a victim not a superstar  
as in as if
