waiting around
my brain on the ground
it's a dull day
standing tall
look down on us all.
it's a gut ache

i can't leave now
and another day is on its way

i don't want it, don't want it
it's no good, it's no good for me

i don't want it, don't want it
it's not good, it's no good for me

i don't want it, we don't want it
it's no good

i don't want it, don't want it

it's no good, it's no good for me
