This is a song for everyone of us  
Every fool who's ever been in love

Dear diary, guess what happened to me  
You know that feeling, the one where you're heart skips  
a beat  
There's something I gotta say, 'cause it won't go away  
I'm falling, I'm falling, I'm falling  
I wanna say now, maybe this is just fate  
But if I open my mouth, these butterflies will get away  
My hands are sweating, I can barely hold this pen  
'Cause when I write to you, I'm really writing to him.

This is a song for everyone of us  
Every fool who's ever been in love  
This feeling's like a drug  
I'm an addict for attention  
I can never get enough  
It's lover versus ....

Take my hand  
And hold it tight now  
Shut your lies  
And turn those lights down  
I think I'm dreaming  
This is unheard of  
This is what it feels like to fall in love

Dear diary, what is he doing to me  
When I think about him my thoughts are all fluttering  
Is this the right move to make  
Don't let this be a mistake  
'Cause I'm falling, I'm falling, I'm falling

It seems with me .... think about his face  
My love it gets so lifted, it feels like I can fly away  
Dear diary, I have no doubt  
He'll be the one for me until time runs out.  
This is a song for everyone of us  
Every fool who's ever been in love  
This feeling's like a drug  
I'm an addict for attention

I can never get enough  
It's lover versus ....

Take my hand  
And hold it tight now  
Shut your lies  
And turn those lights down  
I think I'm dreaming  
This is unheard of  
This is what it feels like to fall in love

It feels like I can fly away (I'm falling, I'm falling, I'm falling)  
It feels like I can fly away (I'm falling, I'm falling, I'm falling)  
I'm falling

This is a song for everyone of us  
Every fool who's ever been in love  
This feeling's like a drug  
I'm an addict for attention  
I can never get enough  
It's lover versus ....

Take my hand  
And hold it tight now  
Shut your lies  
And turn those lights down  
I think I'm dreaming  
This is unheard of  
This is what it feels like to fall in love
