Hey
Look at me
I'm causing a catastrophe
But I
I just might see you and me
In headlights as bright as the daydream
Hey
Look at me
I'm causing a catastrophe
But I
Yeah I just might see you and me
The excess your celebration now
Tiny records spin
Holding in
The air that you breathe
Tearing through the seams you sewed
It's getting right back to you now
So let it rain
Rain all night
Causing a catastrophe
So let it rain
Rain all night
Causing a catastrophe
I got a direct line
Direct line
To the telepathic now
I got a direct line
Direct line
To the telepathic now
("we're sorry your call can not be completed as
Dialed, please check the number and dial again")
So let it rain
Rain all night
Causing a catastrophe
So let it rain
Rain all night
Causing a catastrophe
I got a direct line
Direct line
To the telepathic now
I got a direct line

Direct line
To the telepathic now
