all night dreaming waking up is nothing new
grab my stuff I'm off to do
all the things that all the things that keep me here
are all the things that make me were
i keep hanging on to what is getting
better is it getting better
look its happening all over again
can't let it drag us down
look its happening all over again
can't let it drag us
won't let it drag us down
all ways dreaming waking up is nothing new
grab my stuff i'm off to do
oh no what now oh my mind is in a crunch
oh my mind is in a crunch
but ill keep hanging on to what is getting
better or is it getting better
i don't know any more
look its happening all over again
can't let it drag us down look its happening all over
again
can't let it drag us
won't let it drag us

we won't know what to do about it
we won't know how to act about it
we won't let it
we can't let it drag
look its happening all over again
can't let it drag us down
look its happening all over again
can't let it drag us
won't let it drag us
can't let it drag us
won't let it drag us
down
