you i won't show
yeah you know
doesn't make it easy on me now
yeah you know
if i wait to long
then i'm all freezer burnt

things i have done
make feelings numb
this isn't getting any easier on me now
what have i done

if i wait to long
then i'm all freezer burnt

wonder now what should i say
maybe i'll just keep away
i don't like the looks of what i could be
maybe i'll come out and say
every thing i want to say
i don't want to sit around and freeze
if i wait to long
then i'm all freezer burnt
