I was wondering if you were still awake  
And i, i called you up, got scared and hung up  
And i'm not sure if i can understand the pain  
That held you back, that held you back, oh  
Take me away  
I feel okay  
Come back some other day  
Smile, if only for a little while  
Please smile, from the start you've played the part  
Your smile, i gave you the heart you're tearing apart  
Your smile, took me in but it's no friend  
Take me away  
I feel okay  
Come back some other day  
Take me away  
I feel okay  
Come back some other day  
But can't you see  
You're taking it out  
You're taking it out on me  
I was wondering if you were still awake  
And i wasn't the one who held you back

Take me away  
I feel okay  
Come back some other day  
Take me away  
I fell okay  
Come back some other day  
Take me away  
I feel okay  
Come back some other day  
Take me away  
I feel okay  
Come back some other day
