Got cha, got cha loco loco
Got cha, got cha loco
Got cha, got cha loco loco
Got cha, got cha loco

People laughin'
They got time to relax
They all say hello

They don't worry
They don't mind
They're ok
Happy kind of loco

They don't worry
They don't mind
They're ok
Happy kind of loco

Too much work and
Too much of everything
Can make it for a man
That's all alone
Let things go
You'll find out
What crazy means of madness
Of life is everywhere you go

Got cha, got cha loco loco
Got cha, got cha loco
Got cha, got cha loco loco
Got cha, got cha loco

Got cha, got cha loco loco
Got cha, got cha loco
Got cha, got cha loco loco
Got cha, got cha loco

Everybody needs a chance
Life is here
Learn to let things go

What's your hurry
Who's to blame
Right is bright
When you're playing loco

What's your hurry
Who's to blame
Right is bright
When you're playing loco

So you're down
You end up a lonely man
You're looking for a friend
But they're all gone
Let things go
You'll find out
What crazy means of madness
Of life is everywhere you go

Got cha, got cha loco loco
Got cha, got cha loco
Got cha, got cha loco loco
Got cha, got cha loco

Got cha, got cha loco loco
Got cha, got cha loco
Got cha, got cha loco loco
Got cha, got cha loco
