It feels so good, you lying here next to me  
Oh, what a groove? You have no idea how it feels  
My hands just won't keep still, I love you, baby  
Oh, I love you, I love you, I love you, just wanna hold  
you

Run my fingers through your hair, oh  
Outta sight, huh, right there, you like it like that  
Closer, come here, little closer  
Oh man, oh baby

Give it up, ain't no use  
I can help myself if I wanted to  
I'm hung up, no doubt  
I'm so in love with you, for me there's no way out

'Cause deeper and deeper  
In love with you I'm falling  
Sweeter and sweeter  
Your tender words of love keep calling

Eager and eager, yeah  
To feel your lips upon my face  
Please her and please her  
Any time or any place

I'm gonna love you, love you  
Love you just a little more, baby  
I'm gonna need you, need you  
Need you every day  
I'm gonna want you, want you  
Want you in every way

Make no mistake, for I'll hold back knowin'  
This time it looks like love is here to stay  
As long as I shall live  
I'll give you all I have and all I have to give

'Cause please her and please her  
Any time or any place  
Eager and eager  
To feel your sweet lips on my face

Deeper and deeper  
In love with you I'm falling, yeah  
Sweeter and sweeter  
Your tender words of love keep calling

I'm gonna love you, love you  
Love you just a little more, baby  
I'm gonna need you, need you  
Need you every day  
I'm gonna want you, want you  
Want you in every way  
Hey, hey, hey, hey, yeah
