No woman
No cry
No woman
No cry
No woman
No cry
No woman
No cry
'Cause I remember when we used to sit
In a government yard in trench town
Observing the hypocrites
Mingle with the good people we meet yea yea
Good friends we have now
Good friends wie have lost
Along the way in this great future
You can't forget your past so dry your tears I say yea
yea.
No woman
No cry
No woman
No cry
Oh little darling do she'd no tears
No woman
No cFy.
'Cause I remember when we used to sit
In a government yard in trench town
When Georgie would make the fire lights
I sit up with the burning through the night yea
When we would cook cornmeal porridge
Oh
Which I share with you my feet is my only carridge
So I got to push on through and try them gone.
Ev'rything's gonna be alright.
Ev'rything's gonna be alright.
Ev'rything's gonna be alright now.
Ev'rything's gonna be alright.
Ev'rything's gonna be alright now.
Ev'rything's gonna be alright.
