Hey  
Look at me  
I'm causing a catastrophe  
But I  
I just might see you and me  
In headlights as bright as the daydream  
Hey  
Look at me  
I'm causing a catastrophe  
But I  
Yeah I just might see you and me  
The excess your celebration now  
Tiny records spin  
Holding in  
the air that you breathe  
Tearing through the seams you sewed  
It's getting right back to you now  
So let it rain  
Rain all night  
Causing a catastrophe  
So let it rain  
Rain all night  
Causing a catastrophe  
I got a direct line  
Direct line  
To the telepathic now  
I got a direct line  
Direct line  
To the telepathic now  
("we're sorry your call can not be completed as  
dialed, please check the number and dial again")  
So let it rain  
Rain all night  
Causing a catastrophe  
So let it rain  
Rain all night  
Causing a catastrophe  
I got a direct line  
Direct line  
To the telepathic now  
I got a direct line

Direct line  
To the telepathic now
