Goodbye, Goodbyeee, Leggie Blonde.
Everyday I look across the office floor, there you were,
you're hair down to you're legs and you're legs down to
the floor.
Leggie blonde, goodbye. Goodbye.

Now that you are gone I'll never see you here for tech
repair, wish you knew how much I loved you're legs,
and you're hair. Leggie Blonde, goodbye. Goodbye

(Office supply solo)

I'll never get,
I'll never get to be with you,
I'll never get to share another cup of tea with you,
I'll never get to let you know how much I think of you,

I'll never get to tear you're clothes off on the photo copier.

He'll never get,

He'll never get to say...

wearin that thong thong thong, see you get it on till the
break of dawn... panties on.
